

Hawaii Car Transport - Shipping Requirements

A Vehicle shipment booking is required prior to delivering your vehicle to any of our terminals.

To make a booking, please call (808) 445-6695.

Step 1 – Appropriate Documentation

The following documents are required from all origins :

- Listed owner on the title must be the shipper and show picture ID/proof of ownership (state/Fed ID).
- Copy of the title and current registration for vehicle.
- If there are two owners listed on the title, both owners must be present with picture IDs and/or written notarized statements from the owner(s) not present authorizing shipment export of the vehicle.
- If title is not clear of liens, there must be a letter from the Lien Holder releasing vehicle for transportation to/from Hawaii on official letterhead - see next item.

Lien Authorization Letter (Only required if leaving Hawaii and the vehicle is currently being financed or leased)

Customer must present a letter from their creditor/lessor, written on their letterhead, that authorizes the shipment of the vehicle out of state. If the letter does not specify an expiration date, then it is valid for 30 days from the issue date. The original title is not needed since the lien authorization will be provided.

Absent Owner Authorization (Only required if leaving Hawaii and registered owner(s) are not present at time of drop off)

A notarized letter from the absent owner(s) allowing another individual to drop off on their behalf is required if the registered owner(s) of the vehicle are not present
